

STUDENTS WITH DISABILITIES or SPECIAL NEEDS

If you have medical information to share with me in the event of an emergency, please contact me via email or come to see me during office hours. Emergency preparedness is important!

If you need course modifications / adaptations or accommodations because of a disability, I can refer you to our Disability Resource Center (DRC). If you prefer, you may contact them directly by going to B132 or by calling 425.564.2498 or TTY 425.564.4110. Information is also available on their website at <http://bellevuecollege.edu/drc/>

The most common accommodations are additional time for tests and a non-distracting test environment. These are easily arranged. My goal is to find out your level of mastery of the calculus material.
